

Designed in 1921 in the Georgian Revival Style, the Down Town Club exudes the energy of the Industrial Revolution – an age of modernization and luxury. Its location in Old City, just across the street from Independence Hall, offers incredible views of Independence Mall, all the way to the Ben Franklin Bridge and Delaware River. The historical venue features inlaid marble floors and hand-carved wood moldings paired with sleek, minimal furnishings that mimic Philadelphia’s own blended skyline of modern design and colonial styling. From the moment guests enter the Down Town Club, they will truly feel like they are a part of a storied Philadelphia affair.

A CESCAPHE AFFAIR

Cescaphe’s mission is to create once-in-a-lifetime, distinctive events with genuine care and passion, treating our guests like family as we exceed their expectations. Our wedding packages are all-inclusive, allowing couples to relax and enjoy the planning process, knowing that they will have a premium wedding experience while receiving the highest in quality and service. As Philadelphia’s Premier Wedding Brand, we host only one event, per venue, per day, therefore making the day exclusively yours.

CEREMONY

When you opt to host your ceremony at Down Town Club, we will add an additional half hour to your six hour affair.

The Down Town Club welcomes guests to a ceremony with a breathtaking view overlooking Independence Mall. The stage is set with romantic draping to create a clean, classic background for all of the ceremony’s special moments. Rich color, texture, and history entertain guests as they await the Bride’s graceful entrance. Photographers appreciate the modern and elegant details in every shot.

COCKTAILS

Down Town Club weddings feature Cescaphe signature cocktail hour-and-a-half. The venue features two separate cocktail spaces – the Foyer and Main Cocktail room with floor-to-ceiling windows. The Foyer serves as the entryway to the Down Town Club, as well as your first cocktail hour space. This space includes a mix of lounge seating and high top tables, a champagne display to welcome your guests, and gorgeous tables to display photos and place cards!

The Main Cocktail Room overlooks Independence Hall. It is furnished with high and low tables, lucite chiavari chairs, votive candles for each table, and an elegant white baby grand player piano. This space also features two chef-attended action stations, a customizable ice sculpture, famous raw bar, and full service bar.

RECEPTION

Down Town Club receptions are hosted in the Grand Ballroom. With its original brass chandeliers that are updated with sheer organza drum shades, towering ceilings and elegant draperies, guests feel chic and stylish as they take in the panoramic views of the city in the stylish venue that embraces the depth and history of a space nearly a century old.
