

# TENDENZA

Tendenza, located in the vibrant Northern Liberties neighborhood of Philadelphia, is an ultra-chic, modern industrial space reminiscent of New York City lofts. Guests will be dazzled by its three level cocktail space before moving into the urban-inspired ballroom. The venue features a juxtaposed design of glass, stainless steel, exposed brick walls, beamed ceilings, floor-to-ceiling mirrors, polished white dance floor and brushed aluminum fixtures. Cescaphe Event Group's Tendenza is truly a wedding space unlike any other in Philadelphia.

## A CESCAPHE AFFAIR

Cescaphe's mission is to create once-in-a-lifetime, distinctive events with genuine care and passion, treating our guests like family as we exceed their expectations. Our wedding packages are all-inclusive, allowing couples to relax and enjoy the planning process, knowing that they will have a premium wedding experience while receiving the highest in quality and service. As Philadelphia's Premier Wedding Brand, we host only one event, per venue, per day, therefore making the day exclusively yours.

## CEREMONY

When you opt to host your ceremony at Tendenza, we will add an additional half hour to your six hour affair.

Upon entering the elegant ceremony space at Tendenza, the stage is set for romance as candlelight softly dances across the steel beams, glass table tops and dazzling chandeliers. A ceremony in the round brings your friends and family closer to the action, creating an intimate atmosphere for your exchange of vows. After your ceremony, our team will transform the room into your reception space, while your guests enjoy cocktail hour.

## COCKTAILS

Tendenza weddings feature Cescaphe signature cocktail hour-and-a-half. Tendenza features a multi-level cocktail space, including Main Cocktail Room, Catwalk, and a Mezzanine. The Mezzanine offers space up and away from the party where guests can view the action below. The Catwalk, a few steps above the entrance, is furnished with high tables with lucite chairs and low mirrored coffee tables with white leather benches. The Main Cocktail Room is right inside the entrance with floor-to-ceiling windows and an eye-catching main bar.

## RECEPTION

Tendenza receptions are hosted in a modern, industrial-chic ballroom. The décor is an eclectic mix of exposed brick, glass and metals. The ballroom is also equipped with state-of-the-art lighting designs and audio-visual wizardry that allow each couple to add a level of customization that personalizes the wedding experience to show off the individuality of each bride and groom.
