

THE MILL HOUSE at WATER WORKS

LATE APRIL–JUNE & SEPTEMBER–OCTOBER 2019

Water Works is a National Historic Landmark and one of Philadelphia's most iconic destinations, offering Cescaphe's signature wedding experience with breathtaking views of Boat House Row and the Center City skyline from its waterfront location at the foot of the Philadelphia Museum of Art. The Mill House offers a true Philadelphia affair for up to 400 guests in an exquisitely designed tented setting that couples would otherwise need to rent and have built on their own in addition to food and beverages costs. During the exclusive Mill House Wedding time period, Cescaphe will handle all tent and event supply rentals, leaving you to enjoy your special day while basking in the beauty of the venue's historic surroundings.

BECOME PART OF HISTORY

A Water Works wedding immediately becomes part of Philadelphia history. The Fairmount Water Works occupies a unique position in the iconography of 19th century Philadelphia. As the nation's first public water system, the Water Works illustrated the romantic concepts of the era and was celebrated as a prime example of the blending of nature and technology. The century witnessed the extension of its surroundings into a glorious park and the introduction of even more efficient technology.

The Neoclassical architecture of the buildings, the landscaped gardens and the promenades up to and around the reservoirs on "Fair Mount," including ornamental sculptures, fountains and airy gazebos added to the visual pleasure of the site. For the general public, as well as for those with engineering or technical interests, the technological components at Fair Mount made the Water Works a unique wonder – the turning of the massive waterwheels, the action of the powerful pumps and the sparkling reservoirs containing the city's water supply.

In recent years the Water Works has been recognized as a national treasure by the federal government.

A CESCAPHE AFFAIR

Mill House brides & grooms will enjoy all the benefits of a high-end tented affair without having to worry about the details. Cescaphe will build this custom venue from the ground up, providing full tenting services and event equipment rental.

Cescaphe's mission is to create once-in-a-lifetime, distinctive events with genuine care and passion, treating our guests like family as we exceed their expectations. Our wedding packages are all-inclusive, allowing couples to relax and enjoy the planning process, knowing that they will have a premium wedding package while receiving the highest in quality and service. As Philadelphia's Premier Wedding Brand, we host only one event, per venue, per day, therefore making the day exclusively yours.

CEREMONY

When you opt to host your ceremony at the Mill House at Water Works, we will add an additional half hour to your six hour affair.

Couples choosing the Mill House for their reception can host their ceremony under the Grand Pavilion. The structure defines the Neoclassical architecture of the venue with towering columns acting as windows to the breathtaking views.

COCKTAILS

Mill House weddings will feature Cescaphe signature cocktail hour-and-a-half. Cocktails are hosted inside the historic Engine House, which includes the open-air, tented, Veranda. The Engine House is highlighted by the buildings original crystal chandeliers and newly refinished natural-stained hardwood floors.

RECEPTION

A Mill House wedding reception is hosted under designer tenting on the property's famed Mill House Deck. The location of some of Philadelphia's grandest affairs, this unique venue offers you and your guests the chance to celebrate in style while dining on our award-winning culinary team's custom menu.
